2024-2025 Course Descriptions List

American Sign Language 1 (ASL) (2 hour course) – Shaynie Palisano

Cost per year (non-refundable): \$350

Cost breakdown per semester: \$175

Textbook name: *Signing Naturally Student Workbook Units 1-6* by Cheri Smith, Dawn Sign Press (Your book must include both DVDs. If DVDs are not included, you will need to purchase one year of online access to the videos for \$34.99.)

Textbook ISBN #: 978-1-58121-210-5

Student grade level: 8th - 12th grade

Average homework time required per day (4 days): Practice, practice, lots of daily practice! Practice will come through assignments from the textbook, viewing ASL videos online, creating short signing videos, and even teaching others ASL. The amount of time spent per week on homework will vary, depending on assignments. Of course, the more you practice your ASL, the more fluent you'll become!

Prerequisites (if any): None, except a desire to learn American Sign Language!

Course description:

"Let us lift up our hearts and hands to God in heaven." Lamentations 3:41 ESV

American Sign Language is the primary language of Deaf people in the United States and Canada. In this class we will learn the foundations of ASL through fingerspelling, basic vocabulary, grammar, Deaf culture, story-telling, and much more. The classroom will often be a no-voice zone to encourage students to express themselves using ASL. We will have weekly quizzes and unit tests throughout the year. At-home ASL practice is essential. Your grade will reflect the amount of time you spend learning ASL outside of the classroom through homework assignments and reviewing what we cover in class.

Additional materials needed for class:

- Your favorite notebook
- Pen/pencil for notes
- Occasionally, an electronic device that can connect to the internet (the teacher will let you know in advance when this will be needed).
- Of course, most importantly, your eyes and hands!

Art 2 (1 hour course) - John Pryor

Cost per year (non-refundable): \$220

Cost breakdown per semester: \$110

Textbook: No printed textbook is required for this course.

Student grade level: High school (but some middle school students can do this!)

Average homework time per day (4 days): 30 minutes per day

Prerequisites: Art 1—or at least some prior experience in art!

Course description:

Building on a foundation of basic art skills, this course will focus on actually creating art and increasing their skills and experience. Students will delve deeper into drawing with pencils, charcoal, pastels, and ink. They will learn to paint with watercolors and oil paints and to approximate both styles using acrylics. Students will sculpt in a variety of styles using several kinds of clay and other sculpting tools. They will create multiple mixed media pieces that take all they are learning to an even deeper level of skill and creativity.

Additional requirements:

- Internet Access - Mr. Pryor will send out weekly email updates and post the entire course on Canvas, and he will recommend several Youtube videos and require some online research along the way.

NOTE: A DETAILED LIST OF REQUIRED SUPPLIES WILL BE AVAILABLE AT REGISTRATION.

2024-2025 Course Descriptions List

Art 3 (1 hour course) - John Pryor

Cost per year (non-refundable): \$220

Cost breakdown per semester: \$110

Textbook: This course draws information from multiple textbooks, websites, and other sources, all of which will be fully credited along the way, but there is no central textbook to purchase.

Grade level: High school, but experienced younger artists are welcome, too.

Average homework time required per day (4 days): 30 minutes per day

Prerequisites: Ideally, Art 1 and Art 2. Artists with similar training and skill level are also welcome.

Course description:

Art 3 will build on the foundations of Art 1 and Art 2 and truly challenge young artists to reach their full potential. It will be presented in a chronological format that explores major art eras and influential artists throughout history while creating great art every week. (For example, we'll paint realistic, light-focused oil portraits while studying Rembrandt.)

Additional requirements:

- Internet access - Mr. Pryor will post the entire course on Canvas and occasionally send email updates. Students will also be challenged to do additional research online about the eras, artists, and styles covered.
- A comprehensive list of art supplies needed will be provided at registration. Mr Pryor will bring some art supplies to share at each class, but all students are expected to provide their own art supplies along the way.

NOTE: At the beginning of each semester, Mr Pryor will provide each student with an organized 3-ring binder containing all the handouts for that semester. These will include everything they need to take notes, practice, etc., as well as the list of art supplies, art examples, and more.

Criminal Law (1 hour course) – Kristin Garratt

Cost per year (non-refundable): \$280

Cost breakdown per semester: \$140 (\$20 of which covers the copy fee.)

Textbooks: None. All materials will be provided by the instructor, thus the copy fee.

Student grade level: 9th–12th

Average homework time required per day (4 days): 30 minutes + per day (meaning 2-4 hours per week)

Prerequisites: 9th grade reading and writing level.

Course description:

Students will be introduced to an overview of the criminal justice system in America and the underlying principles, constitutional amendments applicable to the criminal justice system, the difference between federal and state laws, various types of crimes and defenses, elements of a crime, parties to a crime, the processes a prisoner is subjected to in the adult criminal justice system, an overview of what occurs during a criminal trial, as well as an introduction to criminal psychology. Whenever time permits, videos will be used to enhance the learning experience. In addition, students will learn how to review a court decision and will be challenged to solve cases and arrive at judicial decisions from real cases. We will engage in a couple of classroom activities to enhance the learning experience. Quizzes will be conducted periodically to determine the students' level of comprehension. A test will be given during the spring semester which will be proctored by the parents.

NOTE TO PARENTS: Discussion of criminal behavior normally involves the discussion of sinful behavior. In this class, sin will be presented as a perversion of what God intended and never as acceptable, even though at times sinful behavior is legal. Please decide before enrolling if you want your child to be exposed to criminal behavior.

Additional requirements/materials:

- Internet access
- 2-inch 3-ring binder
- Subject dividers for the 3-ring binder (At least 5. If your child is very organized, they may want one for each week.)
- A highlighter and pen or pencil should be brought to every class.

High School Logic (1 hour course) – Kristin Garratt

Cost per year (non-refundable): \$260

Cost breakdown per semester: \$130 (\$10 of which covers the copy fee in lieu of the *Informal Fallacies* textbook)

Textbook name: *Practical Critical Thinking*, [The Critical Thinking Co.] by Catherine Connors-Nelson (student workbook)

Textbook ISBN #: ISBN-10: 1601446640, ISBN-13: 978-1601446640

Textbook grade level: 9th - 12th

Student grade level: 9th–12th

Average homework time required per day (4 days): 30 minutes + per day (meaning 2-4 hours per week)

Prerequisites: Some ability to make logical connections and think critically

Course description:

Students will be challenged to form and interpret logical statements, compose valid syllogisms, expose invalid syllogisms, analyze arguments, identify and respond to informal fallacies, and properly define terms for maximum precision and accuracy. In addition, this class will explore and apply the four laws of logic, distinguish between presumptions, types of evidence, and types of reasoning, as well as analyze and engage in argumentation. The year wraps up with a formal debate. Quizzes will be given periodically to test comprehension levels.

Additional requirements/materials:

- Internet access
- 1-2-inch 3 ring binder
- A highlighter and pen or pencil should be brought to every class.

High School Worldview (1 hour course - fall semester) – Kristin Garratt

Cost per year (non-refundable): \$160 (fall semester)

Cost breakdown per semester: \$160 (includes \$40 copy fee for class workbook and homework answer pages)

Textbook name: *Understanding the Times*, by David Noebel and Jeff Meyers (5th edition, student manual)

Textbook ISBN #: ISBN-10: 0936163216, ISBN-13: 978-0936163215

NOTE: The student manual is what is required for this class. You can find the 600 page textbook by the same name; however, I have summarized the content of that lengthy textbook into the lectures, so the students DO NOT NEED the textbook or the teacher's manual. PLEASE use the ISBN to obtain the correct version of the student manual. If you utilize the publisher's website (www.summit.org), it is usually cheaper than Amazon.

Student grade level: 9th–12th

Average homework time required per day (4 days): 30 minutes + per day (meaning 2-5 hours per week)

Prerequisites: Basic understanding of the Evangelical Christian faith. Some ability to make logical connections and think critically.

Course description:

This course is primarily intensive instruction. Students will be challenged to use Socratic reasoning to critique the six most common worldviews in Western Civilization: Christianity, Islam, Secularism, Marxism, New Spirituality, and Postmodernism. Those worldviews will be analyzed within the context of theology, philosophy, ethics, biology, psychology, sociology, law, politics, economics, and history. Each week's homework assignment includes a small reading passage to analyze and an hour long video to watch with accompanying questions to answer. Midterm and final exams will be taken at home for parents to proctor.

NOTE TO PARENTS: Discussion of behavior outside the norms of Christianity is discussed in this class. Sin will be presented as a perversion of what God intended and never as acceptable. Examples of topics that may be of concern to you are alternative lifestyles, BLM, CRT, and a variety of satanic practices (especially as seen in current culture). Please decide, before enrolling, if the content is appropriate for your child.

Additional requirements/materials:

- Internet access
- 2-inch 3-ring binder
- A pen or pencil should be brought to every class.

Mechanics of Writing (1.5 hour course) - Jessica Davis

Cost per year (non-refundable): \$290

Cost breakdown per semester: \$145

Textbooks:

Texts to be purchased by the students:

- *The Hodges Harbrace Handbook, 17th Edition, 2009 MLA Update Edition*, by Cheryl Glenn and Loretta Gray, ISBN # 978-0495797562
- *Strange Case of Dr. Jekyll and Mr. Hyde*, by Robert Louis Stevenson (any edition)

Texts that will be provided in class:

- "There Will Come Soft Rains," by Ray Bradbury
- "The Masque of the Red Death," by Edgar Poe
- "Dolce Et Decorum Est," by Wilfred Owen
- "Goblin Market," by Christina Rossetti

Note: This course is primarily designed to teach writing skills rather than literary analysis. Many weeks, the students will be reading short handouts given in class that will cover a variety of topics, including scientific research, historical/cultural events, and literary meaning. The topics of these documents are less important than the skills that they demonstrate, so the titles of each individual document will not be listed here.

Student grade level: 10th - 12th

Average homework time: 1-2 hours/day, depending on the student's writing process

Course description:

This is a composition class that is designed to prepare high school students for the various types of writing that they may encounter in college and to provide general writing and communication skills for life after school. Assignments will focus on creating organized, clear documents. The course will also cover grammatical precision, organizational methods, and research foundations. Students should be prepared to compose many, small writing assignments as well as a few larger compositions. Students should also be prepared to present summaries of their writing to the class.

Additional required resources:

- Folder or binder (does not need to be course specific)
- Loose-leaf paper for notes (notes will be given nearly every week)
- A small, spiral-bound notebook for a research journal
- Pens or pencils
- Internet/computer access

Textbook grade level: 5th-8th

Student grade level: 7th-8th

Average homework time required per day (4 days): 45-60 minutes per day (will vary based on student)

Course description:

The overall goal of this class is to produce students who love literature and are comfortable writing as they approach their high school years. We will accomplish this by reading several novels and practicing different writing styles: narrative, expository, and argumentative (throughout the year). Grammar will be reinforced through the writing lessons, as well as using the Analytical Grammar textbook. The novels center around characters who must display great bravery in the midst of challenging times. We will focus on what the Bible says about love, forgiveness, faith, hope, doubt, and suffering, and as Christians, how we are to respond to challenging times in our own lives. Grades will be based on completed homework, quiz scores, writing assignments, and class participation.

Requirements:

- Internet access and access to a word processor and printer

Additional materials needed for class:

Please bring the following materials to class each week:

- Pencil (highlighters would be helpful, too)
- 3-ring binder or notebook with loose-leaf notebook paper

- Quiz and Test Book Key: <https://www.abeka.com/abekaonline/BookDescription.aspx?sbn=294063>

Textbook grade level: 7th

Student grade level: 7th-8th (geared mainly toward 7th)

Average homework time required per day: 30-45 minutes per day (will vary by concept)

Prerequisites: Memorization of multiplication facts using factors up to 12 is extremely helpful; prior 6th-grade math concepts are also handy.

What is a hybrid course? A hybrid course combines both online lessons and in-person reviews. Students will complete their lessons, assignments, and tests online throughout the week but will have in-person class every other week where we will review lessons, play games, take quizzes, maybe some tests, etc. Lectures will be pre-recorded, so students will have access to them at any time.

Course description:

In this class, we will cover 7th-grade standards including ratio and proportional relationships, expressions, equations, the number system, geometry, and statistics and probability. This fun and interactive class is perfect for the student not quite ready for pre-algebra. It will, however, develop foundational skills in preparation for Pre-Algebra or Algebra the following year. Grades will be based on completed homework, quiz/test scores, and class participation.

**Students may still participate in the online lessons part of this course even if they are unable to attend the in-person portion.

Additional materials needed for class:

- Access to a device on a daily basis (to view lessons, complete assignments, etc)

Helpful to make this course successful:

- Pencil(s) (highlighters are helpful but optional)
- 3-ring notebook binder with loose-leaf notebook paper for taking notes
